In Their Own Words...

"My daughter, Anna loves all the programs! She loves Walk and Roll, she's met new friends, and it is so awesome to be able to get out, meet new friends, and have a great time. We love the ICS groups!"
- Anna's mom, Judy.

"The ICS social programs have been a life saver for Angelisa. They provide a way for her to socialize. I never thought Angelisa could do art, but she participates in the ICS art classes now, she enjoys it, and it is one of her favorite things to do! She has many new friends, and we are very grateful for these wonderful social opportunities!"
-Angelisa's mom, Penny

Residential Community Update

Interest List Now Open!

We are eager to know how many adults with a developmental disability, their families, and adults without a disability might be interested in living in our Autumn Bridge Crossing residential community. Go to our website Home Page and scroll down to "Residential Interest List Signup" and complete the questions. This is an Interest List only, not a waiting list or priority list.

Land Update

We continue to look for the ideal 20-25 acre parcel in Medina County for Autumn Bridge Crossing and over the first half of 2023 we've looked at and discussed possibilities regarding several promising parcels. If you know anyone who might have land for us to consider, we'd love to hear from you. Please contact Lisa Morrison at info@ics-oh.org or 216-280-7755.

Shown above are concept renderings of Autumn Bridge Crossing's planned 1-, 2-, and 3-bedroom for-sale homes and 10,000sf Enrichment Center which will be a resource for our residents and individuals with and without developmental disabilities from the surrounding communities.
