MID-YEAR REPORT 2022

Residential Community Development

We have all heard that a picture is worth a thousand words. We think so, too! We are pleased to reveal our first concept renderings of our 1-, 2-, and 3-bedroom homes and our Enrichment Center. Tim Pelton and his firm, Landmark Homes, developed these to help us give self-advocates and their families a preview of our community.

“I have been a volunteer with ICS since its inception. I’ve seen the numbers of participants grow as parents and providers have become aware of the diverse social enrichment programs. ICS provides a wide variety of opportunities for enrichment and social interaction that group members may not otherwise have the opportunity to participate in. What I see from the participants is happiness, comradery, a sense of purpose and positive validation, and friendships being cultivated.”

- Coach Andy Sharp

Volunteers

We could not do what we do serving adults with DD without the tireless and enthusiastic support of our volunteers.

“I have been participating as a volunteer member for ICS for a year. The program has provided individuals and families with developmental disabilities a one of a kind person centered opportunity in Medina County. I attend with my sister Avery who has Autism. Historically Avery has struggled to find a crowd she is comfortable in due to her disability. ICS has created a program where anyone can belong no matter their abilities, gifts, struggles, and talents. – Owen

Leadership

We are excited to welcome two new Advisors:

- Colleen Rice, Executive Director of Leadership Medina County. She is helping us identify strategic personal connections.
- Tim Pelton, Owner, Landmark Homes. Tim’s firm designed our concept renderings of our homes and Enrichment Center.

Sincerely thanking
you for your support,

Partnerships and Collaborations

There are many great organizations in Medina County that are excited to help us with our mission of serving adults with DD. We have been able to meet our goal of establishing collaborations and partnerships that help us achieve our mission, including:

- Feeding Medina County and Winking Lizard for our Summer Volunteer Program
- Empower Sports for our Basketball Skills Program
- Buehler’s Fresh Foods that provided space for our Mandala Art Group
